

Sri Kshetra PAITHAN

Shri Kshetra Paitan, formerly called as Prathishtanapuram, is located 250km east of Pune on the banks of river Godavari in Maharashtra. Paitan is famous for its richness of Veda and Shastras even today. The pandits, scholars, vaidheegas, devotees, bhagavathas and saints, of this Kshetra is blessed with the grace of Lord Panduranga.

The Glory of this Kshetra is that, it is here :

Mavuli Dnyaneshwar Maharaj got the Letter of Commendation (Shudda Pathra) from Pandits, upon making a buffalo, chant the Veda. The Samadhi of this Saint Buffalo exist here in Paitan.

Sant Banudas Maharaj and **Sant Eknath Maharaj** were born and attained Samadhi here.

Lord Krishna served Sant Eknath Maharaj as disciple for 12 years. There is no place in Paitan where the Lotus-feet of Shri.Krishna has not touched at all.

Swami Dattatreya has performed many Miracles for Sant Eknath Maharaj.

Shri. Yogiraj Maharaj, in the Parampara of Sant Eknath Maharaj, lives an auspicious life of leading people through the divine path, in this Kshetra which is fortunate and holy with the propitious footprint of Sant Eknath Maharaj everywhere.

Shri. Yogiraj Maharaj is going to honour us with his gracious presence on this occasion of Saptah.

Worshipping the Holy Kshetra is Noble.
To relish the Kirtans in the Kshetra is Nobler.
To delight in them along with the Sadhus is the Noblest.

Being an invaluable bundle of all the three, this Yatra is precious. Hence the religious aspirants are requested to utilize this opportunity and gain the graces of Sant Eknath Maharaj and Lord Panduranga.
